Regular Agenda

1. BDO Audit for 2014 Fiscal Year
Balkema explained the audit performed by BDO Accounting for the 2014 fiscal year came back as clean with no findings. She thanked Land Bank former staffer Amanda Woodin, and current staffer Tammy Lahman for their hard work on this process. Vliek made a suggestion to build a replacement reserve account into next year’s budget for rental properties that don’t currently have a reserve. Balkema asked for a motion to approve the 2014 audit. Dorgan made the motion, Collins supported, all were in favor and the motion carried.
2. Option Agreement for the Vicksburg Mill
Balkema gave an overview of the timeline of events for the property up to its present status. An offer was presented before the board in 2014 and accepted, but a purchase agreement has not been signed due to delays on the buyer’s side. The Land Bank Projects Committee asked to see movement toward a final sale. The option agreement will formalize and move the deal closer to a final purchase, giving the buyer incentives to close by September 30, 2015. Balkema called for a motion to approve the terms of the option agreement presented to the board. Collins made the motion, it was supported by Vliek, all were in favor and the motion carried.

3. 627 Gilbert property disposition
Balkema explained the status of the property at 627 Gilbert, which was foreclosed and transferred to the Land Bank. The elderly owners have been paying rent to the Land Bank, but obtaining a rental certificate isn’t possible with the house’s current state of disrepair. The Board members asked that the Land Bank staff work with the Liggins family to pursue other options that would better align with the Land Bank’s policy to not sell properties back to the foreclosed owner or their immediate family. Balkema called for a motion to approve the sale of 627 Gilbert as long as the sale is consistent with Land Bank policies. Kisscorni made the motion, Dorgan supported, all were in favor and the motion carried.

Executive Director Report
Executive Director Clarke provided the Board with updates on the following items:
1. Update on Washington Square rentals, then and now photos, and upcoming Art Hop event on August 7.
2. Discussion of Land Bank projects, then and now, including the Kalamazoo creamery, Union Street court, and Riverview Launch.
3. 1310 Bank Street – The Executive Director reported the City will be purchasing this property with a view to expansion of the Farmers Market. The Land Bank must repay the $30,000 recoverable grant to LISC for due diligence associated with this purchase. The City will reimburse the Land Bank for all 3rd party costs, with Land Bank staff providing their services pro-bono. Estimated 3rd party expenses are approx. $14,000, which will be reimbursed to LISC after receipt of funds from the City. The remaining unused funds will be reimbursed to LISC.

Balkema adjourned the meeting at 9:42 a.m.

Respectfully submitted,
Terry Dorgan, Treasurer and Secretary
