Closed Session – Real Estate

Balkema spoke about the roof collapse on the Vicksburg mill property due to extreme snow events in 2014. An insurance claim is in process, and two buyers will be submitting offers on the property to be presented and evaluated by the board in June.

Balkema explained the need to assemble land on a contaminated site on the Kalamazoo River in order for DEQ to demolish and clean up parts of the site. She is working with a local landowner and the US Marshal Service to gain site control in order to accomplish this clean up. An adjacent structure held by a private owner needs to be demolished as a part of this project and the owner has indicated willingness to transfer the property to the Land Bank for blight removal if the property is returned.
