INVITATION TO PROPOSE

The Kalamazoo County Land Bank Authority is seeking development proposals for 20 Mills located in the River's Edge District. The parcel is located to the south of Michigan Avenue along the Kalamazoo River on the edge of downtown. Additional parcels may also be a part of an offer and are listed below. The redevelopment parcels represent an outstanding opportunity for a public-private development partnership and benefit from significant public and private investments in the immediate vicinity. The private developer will be able to leverage decades of public investment in the area.

Developers may bid on one or more parcel(s)

The Kalamazoo Land Bank's development goals for the site are to maximize the development potential and to contribute to the vibrancy of the River's Edge District area with well-designed development that will enhance the area, reverse blight and contribute to the community. The property will not be sold for speculative purposes.

REDEVELOPMENT OBJECTIVES

The Kalamazoo County Land Bank encourages developers to propose innovative designs that enhance neighborhood feel and walkability that are consistent and complementary to the context of the immediate area. In summary, the development objectives for the properties include:

- Assist in efforts to promote the transformation of the riverfront area of the City of Kalamazoo by building upon the attractive and unique elements of the existing buildings
- Plans that improve the natural area
- Provides high quality construction and high-quality design
- Impactful Project- proposals that will have an impact on the community and on nearby properties

The subject properties are zoned RF-O subarea 9, which is the Riverfront Overlay District. This zoning district was established to promote patterns of development that support a mix of living, working, and recreational activities close to one another.

Information for the Riverfront Overlay District as well as additional plans, studies, and maps are available through links on the Resources page.

BUILDING CONDITIONS
